Decorating Is Fun! | How To Be Your Own Decorator ... After being out of print for many years, Decorating is Fun is being republished with its original illustrations and a new introduction by Draper's protégé, designer Carleton Varney. Decorating Is Fun!: How to Be Your Own Decorator by ... Another fun read but not as much fun as her book on Entertaining. A few suggestions had me recoiling in horror (she suggests removing any stained glass windows you have and I adore stained glass), some had me laughing (her suggestion on wallpapering your ceilings), and others were great (suggestions on sizing lamps was very useful. Amazon.com: Customer reviews: Decorating Is Fun!: How to ... I read the 1939 original of this well-written book. The decorating advice holds up surprisingly well. The case histories are great little stories. The original photos are a scream! It was the era of floral prints and fluffy ruffles. In this century you would create a much different home using the same premises.

Decorating Is Fun! How to be Your Own Decorator â€œ Carleton ... The book which was originally published in 1939 on the eve of World War II, is still highly practical, very inspirational and amusing so noted by The New.
